Book 10-1

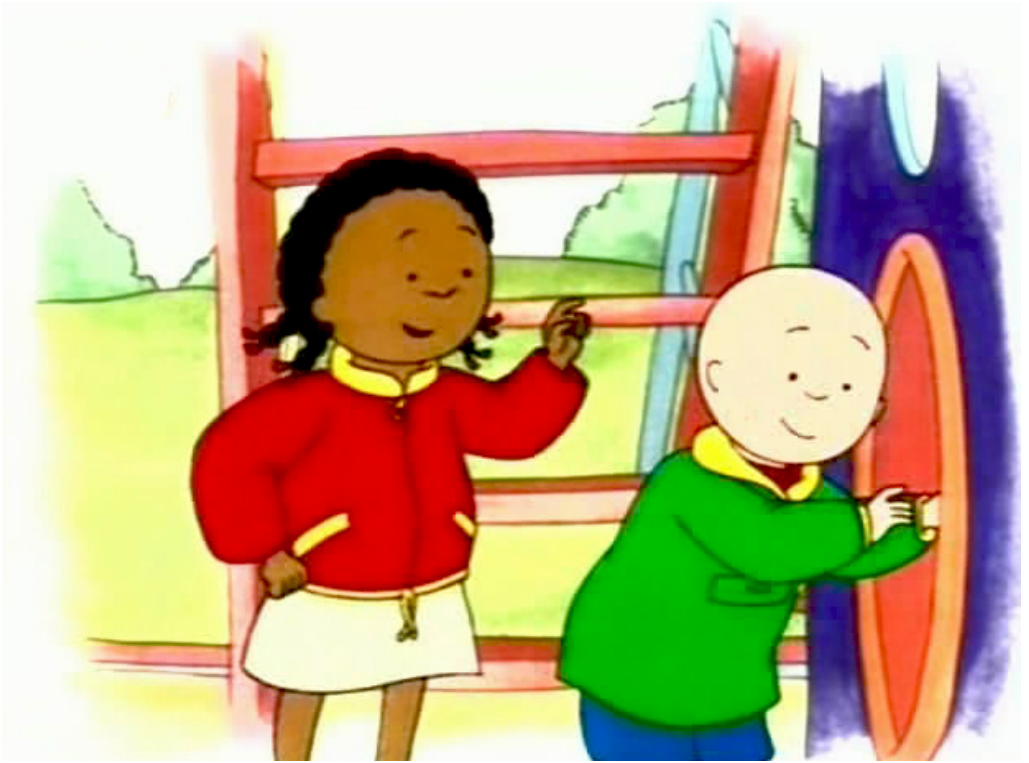

Storyteller: Snuggle up, children, it's story time. Wow! Look at Caillou. He looks scared. Can you guess why? This story's called "Caillou's Big Slide". Caillou was having a wonderful time at the playground.

Caillou: Watch me! Watch me! Choo!
Choo! Choo! I'm a train, Daddy.

Clementine: Hi, Caillou.

Caillou: Hi, Clementine. I'm playing choo
choo.

Clementine: Can I play too?

Storyteller: Clementine and Caillou were having fun playing choo choo train when Clementine had an idea.

Clementine: Want to play slide?

Caillou: Yes!

Clementine: No, not that one, that one.

Storyteller: Clementine was pointing at the slide the big kids play on. But when Caillou got to the slide, it seemed very big and very very high.

Caillou: It's too high.

Storyteller: Caillou was frightened.

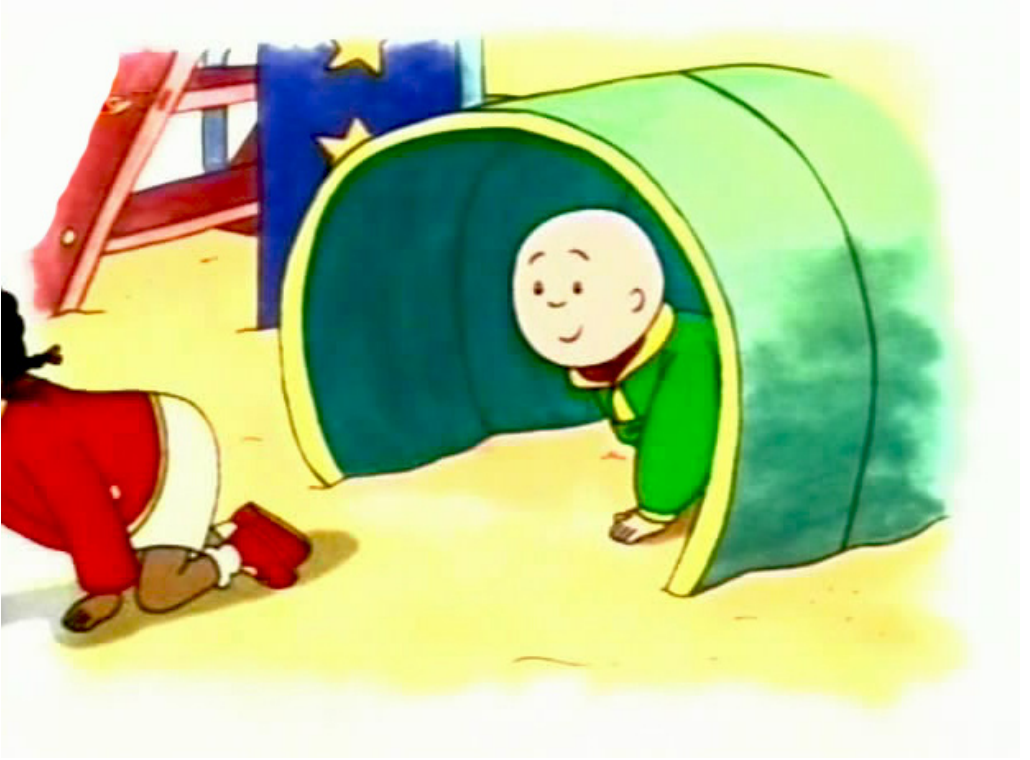

Clementine: Come on, Caillou!

Caillou: I want to play here first.

Storyteller: So Caillou convinced Clementine to play in the tubes instead.

Clementine: Catch me, Caillou!

Caillou: Here I come. Got you!

Daddy: Hmm, it's getting late, Caillou.
We'll have to leave soon.

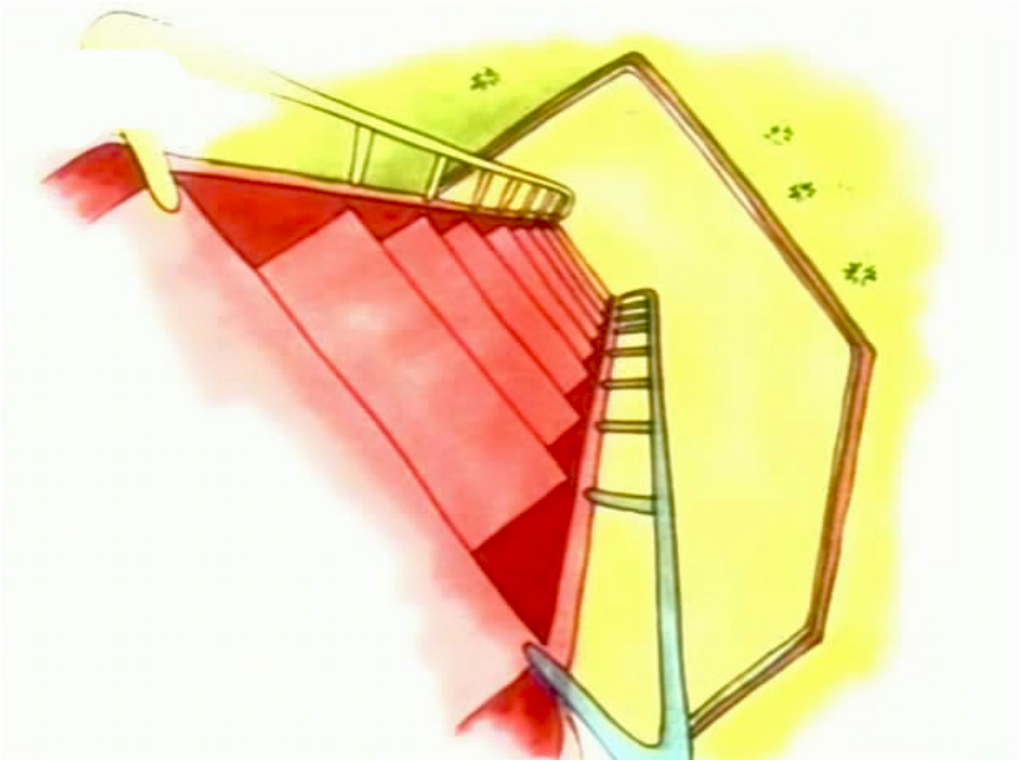

Caillou: Oh, no!

Clementine: Come on, Caillou.

Caillou: It's high. But I'm not afraid. You
go first.

Clementine: Hahaha! Whee! That was fun.
Come on, Caillou, it's your turn. Slide,
Caillou, slide. It's fun. Slide, Caillou.

Caillou: I'm not scared.

Storyteller: But really, Caillou was very scared.

Caillou: Daddy! Daddy!

Clementine: Caillou's crying. He's scared.
I'm not scared. It's easy.

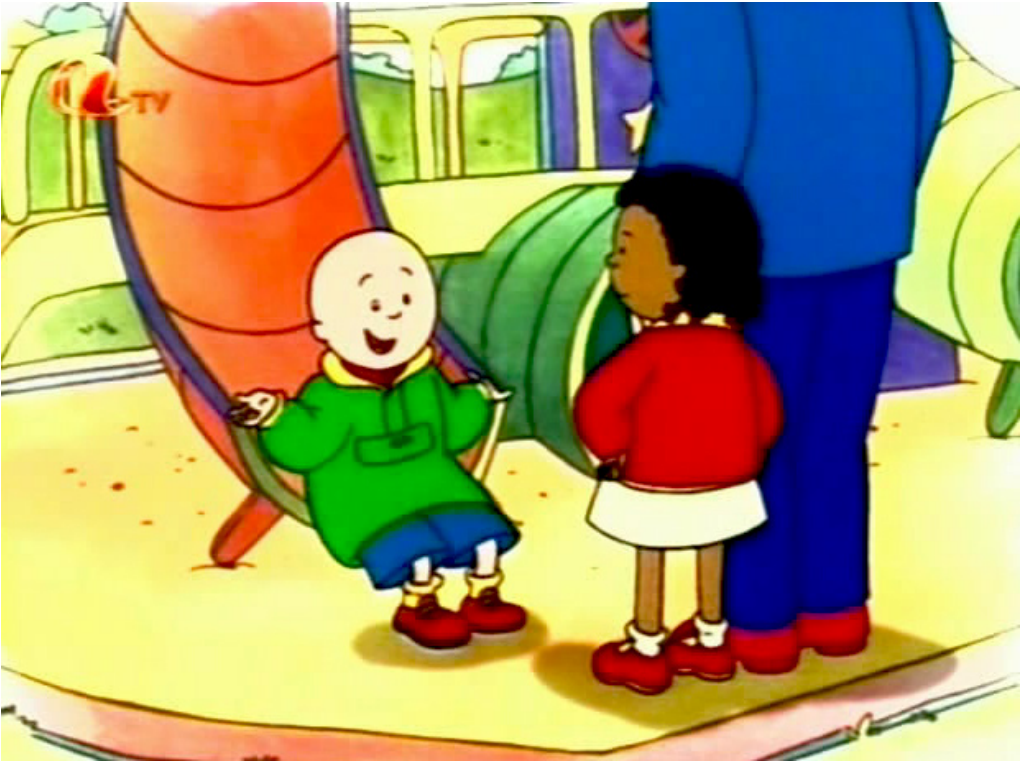

Daddy: What's the matter, Caillou? Hmm, well, it is a big scary slide. It does look like fun though. I know what we could do. Why don't you slide down with me? One, two, three. Go!

Storyteller: Caillou was thrilled, but Clementine wasn't impressed.

Clementine: I went by myself.

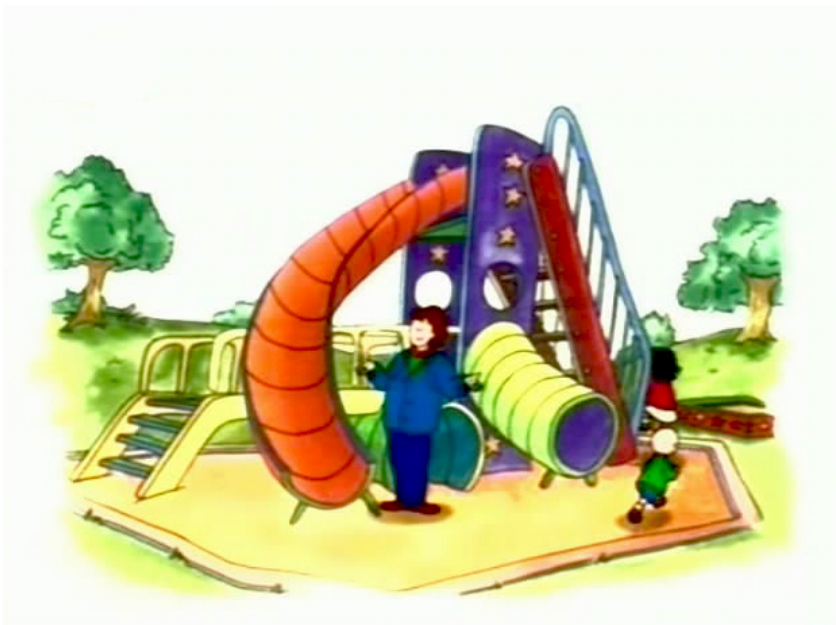

Caillou: Yeah! I went all by myself. It's easy.

Daddy: Well, it's time to go home, Caillou.

Caillou: I'll be right back. One more time, Daddy?

Storyteller: But as it turned out it wasn't just one more time after all.
